About the Author

W. Somerset Maugham (1874-1965) was an English novelist and playwright. Maugham was famous as a dramatist before he was known for his novels and short stories. His clarity of style, the perfection of his form, and the subtlety of his thought, thinly veiled by a worldly cynicism made him an international figure. Among his novels are *Of Human Bondage*, *The Moon and Sixpence*, and *The Razor's Edge*.
