Amarse Con Los Ojos Abiertos (to Love with Eyes Wide Open) (Integral)

Jorge Bucay

A man and a woman get to know each other via email. Between the vagaries of the computer, the indispensable @, and the messages that come and go, a fascinating story develops about postmodern love, but also a timeless reflection on the challenges the couple face. *Love with Open Eyes* is a unique book with curative properties for those who want to repair a wounded relationship, or initiate a new one.
