Présentation de l'éditeur

The powerful style of Francis Bacon's work continues to fascinate and disturb, with his grotesquely contorted figures at once brutal and angst-ridden. Including the raw power of 'Three Studies for Figures at the Base of a Crucifixion', this calendar features a range of striking images from Tate Galleries that showcase his highly expressive art. Informative text accompanies each work and the datepad features previous and next month's views.

Flame Tree: The Art of Fine Gifts. Flame Tree Publishing has produced calendars and diaries for over twenty years. Now the UK's premier art calendar producer, we work in the global market online and in retail. Each year we spend many hours creating new designs with artists, photographers, licensors, museums and galleries to bring beautiful art into the homes and offices of our customers around the world.
